- **Exams:** As we enter the main exam season, we want to wish everyone success and good luck for their exams. We would like to remind students that they should be courteous and polite around exam venues ensuring they are quiet when walking around the site and try to avoid areas where exams are taking place. This year our main exam venues will be G Block and the Sports Hall. Students are asked to be mindful during break times and lunch times when some students may still be sitting in venues taking exams.
