Dear Parent/Carer,

We hope you had a lovely half term break and are feeling refreshed. As we returned our school site may have felt slightly different for your young person, as building works have started on the C Block where our Humanities and Computer Science departments will be moving to and we finalise the work on the J Block where our SEN and Emotional Support Team will be based. As part of this work our Library is currently closed while we prepare to relocate this to the B Block temporarily. We know how much disruption this has on our young people and are doing our very best to keep disruption to learning to a minimum.

To support parents and ensure you get timely information from the school please ensure you have enabled push notifications – for instructions how to do this [click here](#)

Also don't forget that every day there is a late bus that departs from outside of reception. For children who have a Bus Pass for the 94 this is a free service. For those who do not have a bus pass this service is capped currently at £3. For more information about stops [click here](#).
