Dear Parent/ Guardian,

Welcome back to all students and families and I hope you had a restful Christmas break. We had a wonderful start to the school year last term, and a roundup of many of the events and achievements can be found in our [newsletter](#). How we communicate with parents and carers continues to be something that we are working hard at improving, and we will start this term to send all notices and messages in one consolidated email to you on a Friday, in which you will find all information, dates, forms, etc in one message for all year groups. We are hoping that this reduces the ad hoc and ongoing communications and makes it easier for you to find the information you need. For those of you with more than one child in the school, this should reduce the duplication of messages you sometimes receive. We are always open to feedback about how we can improve, so please use the communications@pws.emat.uk email with any comments.
