Dear Parent/ Guardian,

Welcome to this week's bulletin. I hope you and your family are keeping well. This week I am delighted to share some fantastic news. Our Under 14 Netball team has qualified for the National Schools Netball Tournament. This is the first time in the school's history that a team has achieved this, and it is an incredible opportunity for the girls. The National Finals will take place in March at EIS Sheffield.

This week we also had the pleasure of hosting our Year 7 Concert. The entire year group performed several Beatles songs together as a cohort, supported by a range of fantastic solo performances from many talented students. The concerts were performed to an audience of around 200 people each night and showcased the confidence, commitment and musical ability of our Year 7 students.

A handwritten signature in black ink, appearing to read 'Anna Hewes'.

Ms. Anna Hewes
Head Teacher

Children's Mental Health Week is fast approaching, taking place Monday 9th – Sunday 15th February 2026 - The North Northamptonshire and West Northamptonshire Healthy Schools teams have been working together to prepare a coordinated offer of resources and activities to support schools, families, and communities throughout the week and beyond. We wanted to share our plans with you so you are aware of what will be available and can help signpost where appropriate.

Understanding Child Exploitation - As part of ongoing partnership work in March to tackle county lines and child exploitation, a webinar session is being delivered by The Children Society and is relevant for parents, carers, youth workers, teachers and sports coaches. The aim is to help individual understand the different types of exploitation, what the signs are and how to support an individual who is potentially being exploited. Simply click on the event-brite link below for further information and to sign up. [Understanding Child Exploitation Tickets, Mon, Mar 2, 2026 at 10:00 AM | Eventbrite](#)

The Magic of Numbers Show - We are pleased to let you know that through our work with The Open Learning Partnership our Year 8 students are going to be attending a guest performance of 'The Magic of Numbers Show' on Friday 6th February here at Prince William. The show will be an exciting opportunity for students to immerse themselves in a side of Maths that they might not ordinarily get to experience. Year 8 students will be joining some students from Oundle School during period 2 on Friday. This will be an amendment to their usual timetable.

We are excited to announce a residential opportunity open to our current Year 8 Cohort. On October 5th we are planning to take our Year 9 students on an Outward Bound 5-day residential trip to the Lake District. For more information [Year 8 Residential.pdf](#)
