Dear Parent/Carer,

**Careers Education at Prince William School – WOW Experience**

On Thursday 9<sup>th</sup> and Friday 10<sup>th</sup> July 2026, Year 10 students are expected to participate in a World of Work (WOW) Experience.

We ask that parents, relatives or family friends take students to work with them so that they can observe life in the workplace, gain an understanding of employment and to discuss possible career aspirations with parents and their colleagues. Our goal is that this is worthwhile for every student.

The aim is to show students the world of work, to help them discover the power and possibilities associated with a balanced work and family life, to provide them with an opportunity to share how they envisage the future and begin steps toward their end goals. It also lets them see what adults spend their day doing.

This activity is intended to be one of work shadowing, observation and experience all students will be required to complete feedback after their placement.

Please find links to the forms that need to be completed prior to this.

Parental Consent Form – this must be submitted by 4pm on Friday 1<sup>st</sup> May 2026:

We would like to see every student secure a placement with a parent/carer/relative or family friend but if that is not possible please do let Kate Allen, Careers Advisor know as soon as possible:

[Kate.Allen@pws.emat.uk](mailto:Kate.Allen@pws.emat.uk). Students that do not secure a placement will attend lessons as usual.

Thank you in advance for your support.

Yours sincerely,
