Dear Parent/Carer

We are excited to share that our students who use our inclusive provisions will be able to access their new facilities from next week as we move our SEND department into their new building and as the school moves into the next phase of the building work on site. Our Business and Economics classrooms will move to their new homes above the sports hall for lessons from Tuesday and our Library will reopen in its temporary home from Wednesday.

From next week the contractors will continue work clearing out the Central Block ready for the new classrooms to begin taking shape over the coming weeks.
