Dear Parent/Carer,

Welcome back to the Summer term!

The term kicked off fantastically with some of our Year 10 students completing their Silver DoE at Cannock Chase.

The improvements to the site have continued over the holiday, with new water fountains installed across the school and some areas being re-tarmacked. We still have some scaffolding up as the improvements to J block are finalized over the next two weeks.

We started the term with a reminder of our behaviour non-negotiables:

And thank you for your patience as we continue to work on developing Arbor for informing you of rewards and house points.

- **Calling All Sports Reporters** - If you are interested in a career in the media world or just enjoy commentating on and watching sport the PE dept have an excellent opportunity for you. In the run up to the Trust Olympics 4 students will have the chance to train and work with Dave Fulton (Sky Sports Presenter) on their media skills and commentary. The training will look at building confidence, using the equipment, linking with other presenters and also how sports commentary works. Once the training has been completed you will then be involved in the Trust Olympic day, reporting live on events that will be broadcast across the Trust. If this is something that you would be interested in you will need to choose a sporting event/match and either write a short piece of commentary for it or record a commentary and send it in to me. We will then judge the best and these students will take part in the media event. Commentary's to be sent to neil.welsh@pws.emat.uk
