Dear Parent/Carer,

The results are in from this week's EMAT Cup. Well done to every player who took part. You represented your schools with effort and professionalism throughout the day.

Girls' competition -1st place – Wollaston School, 2nd place – Prince William School, 3rd place – Northampton International Academy

Boys' competition - 1st place – Prince William School, 2nd place – Wollaston School, 3rd place – Northampton International Academy

Overall results - 1st place – Prince William School, 2nd place – Wollaston School, 3rd place – Northampton International Academy

Congratulations to all players.

As part of our ongoing site safety measures, we will carry out a lockdown practice before half term. This helps ensure that we, as a school community, are prepared and confident in how to respond in an emergency.

Guidance has already been shared with students and staff, so this practice allows us to reinforce those expectations in a controlled and supportive way.

We will inform parents once the practice is complete and before the end of the school day on which it takes place.

- **Calling All Sports Reporters** - If you are interested in a career in the media world or just enjoy commentating on and watching sport the PE dept have an excellent opportunity for you. In the run up to the Trust Olympics 4 students will have the chance to train and work with Dave Fulton (Sky Sports Presenter) on their media skills and commentary. The training will look at building confidence, using the equipment, linking with other presenters and also how sports commentary works. Once the training has been completed you will then be involved in the Trust Olympic day, reporting live on events that will be broadcast across the Trust. If this is something that you would be interested in you will need to choose a sporting event/match and either write a short piece of commentary for it or record a commentary and send it in to me. We will then judge the best and these students will take part in the media event. Commentary's to be sent to neil.welsh@pws.emat.uk
