Dear Parent/Carer

We have had a fantastic week here at PWS with over 230 students interviewing for leadership positions within the Leadership Legacy Project, for four leadership boards: Youth Social Action, Sports Leaders, the Ambition Board and the Culture and Arts board. Having had the complete privilege to sit in on some of these group interviews, it is clear the impact that these students are going to have on our community over the next academic year.

A reminder, please, that all students need to be arriving at school before the 8.50am bell, with a few items of basic equipment: a black pen, a ruler, their ID cards, a pencil case, a pencil and a rubber.

Our Year 11s and Year 13s continue to really make us proud in the resilience and tenacity that they are showing, as the exams continue, with two weeks still to go. Please encourage your young people to sign in and out on the signing sheets, so that we can ensure that we are safeguarding them in an emergency.

Finally, if you can, please take 5 minutes to complete the survey below as all your feedback is read and is very important to us:
