Dear Parent/Carer,

It has been another fantastic week at Prince William School. I would like to thank everyone who joined us for our Leadership Legacy Project celebration event. It was a wonderful occasion to see our student leaders formally sign their leadership contracts and commit to making a positive difference within our school community. I was incredibly proud of the inspiring keynote speeches delivered by members of our own student body, who spoke with confidence, passion and genuine ambition. Thank you for your continued support in helping make the evening such a success.

We are also looking forward to the upcoming Dorset Walk. This is always a highlight of the school calendar and promises to be another memorable experience for our students. We wish everyone taking part the very best and look forward to sharing their achievements with you.

Finally, our Year 12 students complete their work experience placements this week, I would like to thank all the employers, parents and carers who have supported them. We look forward to hearing from your child about their experience and the skills and confidence they have developed during the week.

Looking ahead to next week, the forecast suggests we will see another spell of warm weather. To help keep students comfortable throughout the school day, we will once again be allowing students to attend school in their PE kit. Please ensure students wear suitable trainers. Open-toed footwear, including sandals and Crocs, is not permitted for health and safety reasons. Any student arriving in unsuitable footwear will be provided with a pair of school shoes for the day.

Thank you, as always, for your continued support.

Ms. Anna Hewes
Head Teacher
