Dear Parent/Carer,

It was a very busy week in school this week with Year 10 taking part in World of Work on Thursday and Friday. Thank you to all those who have supported and hosted our students in the community.

It was also fantastic to welcome our new Year 7's on Transition Day on Thursday and Friday and welcome them and their parents/carers to our school community with our first transition day welcome event where they could find out about everything PWS! They had the opportunity to learn about the PFA, our house system and even got a free ice cream!

Next week also sees our first PWS Culture Day! A day filled with different activities and events to showcase different cultures within our own and wider community. We have African drumming sessions, students and teachers discussing their culture and what it means to them, Haka sessions as well as African dancing.

As the warm weather is set to dissipate next week, we will return to our normal uniform with the exception that students will not need to wear ties or blazers. They can continue to wear tailored shorts or the school skirt as an alternative to trousers.

Ms. Anna Hewes  
Head Teacher
