Dear Parents/Carers,

### **Year 8 - Careers Information Evening**

A Careers Skills session will take place in school on the morning of Tuesday 3rd March 2026. Following this, we would like to invite you to attend our Year 8 Careers Event on the same day, from 5.00pm to 6.00pm.

The evening will serve as early preparation for when students make their GCSE choices in Year 9.

Having reviewed our Careers Programme for each year group, and taken feedback from students, we decided it would be helpful for students in Year 8 to receive some careers information as they start to consider which subjects they may want to choose next year. The evening aims to demonstrate the value of choosing subjects that they enjoy and do well in and will introduce them to career pathways depending on their interests.

Please note that the event will not include roles or careers specifically linked to English, Maths or Science as these are core subjects and all students will be taking these subjects.

The event will include the following:

- A presentation by Kate Allen, Careers Adviser containing information about the activities that your young person has participated in during the school day
- Information about the Subject Stations linked to careers linked to skills required for employment
- In addition, Labour Market Information will be provided for the region which includes Northamptonshire and the surrounding counties
- A Q&A session
- A look at the activities undertaken

This event is not designed to be prescriptive in terms of limiting choices or choosing subjects that 'go' together, more to encourage students to begin to think about linking education to the world of work. Students will have already seen the presentation and participated in the activities, so it is not necessary for them to attend the evening.

This is an informal evening, but we would appreciate knowing numbers in advance. We therefore ask you to click on the link below to register your intention to attend the event before Friday February 27<sup>th</sup> 2026 [Year 8 Careers Skills Event: 3rd March 2026 – Fill in form](#)

If you have any questions about the event, please email [Kate.Allen@pws.emat.uk](mailto:Kate.Allen@pws.emat.uk)

Please note that this is not a Parents' Evening and there will not be the opportunity to discuss your child's progress in any individual subjects.

**Respect**

**Resilience**

**Ambition**
