Dear Parent/Guardian,

**Re: Disneyland Paris Maths LIVE! – February 28th to March 2nd 2027**

The Mathematics Department is excited to announce an upcoming overseas educational trip to **Disneyland Paris for the annual Maths LIVE!** conference.

**Trip Purpose and Activities**

The conference offers students the opportunity to engage with live guest speakers, participate in interactive Q&A sessions, and complete multiple mathematical challenges throughout the park. This experience focuses on:

- **Ride Design:** Calculating forces, acceleration, and energy used in rollercoasters.
- **Motion Physics:** Mathematical approaches to designing rides involving forces and motion.
- **Special Effects:** The role of math in creating immersive experiences with lights, smells, and fireworks.
- **Soft Skills:** Problem-solving, decision-making, and teamwork in a unique environment.

**Logistics and Cost**

The trip is scheduled to run from **Sunday 28th February to Tuesday 2nd March 2027**. Please note that these dates are subject to transport carrier availability.

The total cost for the trip is **£540.00**. This includes:

- Executive coach travel from Prince William School to Disneyland Paris via Eurotunnel.
- Accommodation (Breakfast only).
- One-day park ticket for both Disneyland Paris parks.
- Conference fees and all Maths LIVE! resources.
- Comprehensive school travel insurance.

Students will enjoy free time in the park for **one day** following the conclusion of the Maths LIVE! conference.

We are anticipating this to be a popular trip only being offered to current year 9 students therefore to secure a place please pay the deposit on Arbor, places will be allocated on a first come, first served basis.

**Payment Schedule:**

Non-refundable deposit of £100.00 to be paid by **1<sup>st</sup> June 2026**. Followed by 5 monthly payments of £88.00 per month on the 1st of each month in July, September, October, November and

December 2026. If you would like your child to take part in this trip, please make payment online using Arbor.

Please note that by paying the deposit for your child you are also giving consent, accepting the terms and conditions for this trip and agreeing to make payments each month as per the payment schedule above. Failing to keep up with the monthly payments may result in your child being removed from the trip and any payments made will be non-refundable. Should your child withdraw from the trip at any stage before departure, that according to the tour company policy you will lose part of your payment. The only exception to this will be on certain medical grounds, and any such claim MUST be supported by a doctor's letter.

Behaviour will be constantly monitored prior to the trip and as always, poor behaviour may result in a pupil's removal from the trip. This will render payments already made non-refundable as per the tour company cancellation schedule. An exclusion from school will result in automatic removal from the trip and again, payments already made will be non-refundable.

It is parent's responsibility to ensure their child has a valid passport and any other necessary travel documents, i.e.: Visas, Residence documents if not a UK national, etc. Please ensure you apply for any documents needed well in advance to avoid delays and disappointments. We cannot allow a pupil to travel without all necessary documents. Lack of necessary documents at time of travel will render the trip non-refundable.

A minimum of 40 pupils are required to make this trip financially viable to run. **If we do not secure this number unfortunately the trip will not run and all deposits will be returned.**

We will be running an information session once groupings for the trip are confirmed. In the meantime, if you have any questions do not hesitate to contact me on [Zilvinas.alisauskas@pws.emat.uk](mailto:Zilvinas.alisauskas@pws.emat.uk).

Yours faithfully,

Mr Z Alisauskas  
Head of Maths
