1. AIMS AND PURPOSE

The following policy sets out the mechanisms and processes for attendance monitoring within EMAT but fundamentally we believe a strong partnership with parents, carers and pupils is the key ingredient. Regular school attendance is essential if pupils are to achieve their full potential. Prince William School believes that regular school attendance is the key to enabling pupils to maximise the educational opportunities available to them and become resilient, confident, and competent adults who can realise their full potential and make a positive contribution to their community. If pupils do not attend school regularly, they will not be able to take full advantage of the educational opportunities available to them. Every young person is entitled to an education and absence from school means lost learning. Pupils' absence can sometimes also be a warning sign for a range of safeguarding issues.

Prince William School believes that the foundation to secure good attendance is ensuring that school is a calm, orderly, safe, and supportive environment where all pupils want to be and are keen and ready to learn.

Attendance is an essential foundation for positive outcomes for all pupils and the responsibility of everyone.

Our attendance target for pupils is 96% and we are committed to working proactively to help and support parents/carers and pupils to achieve this.

Most pupils attend well, and we will work with families to identify the reasons if attendance is low and try to resolve any difficulties.

2. LEGISLATION AND STATUTORY GUIDANCE

This Attendance Policy should not be viewed in isolation. It is a strand that runs through all aspects of school improvement and is supported by our policies on safeguarding, bullying, behaviour and SEND.

The school adheres to all relevant legislation, statutory guidance, and local guidance from the Northamptonshire Safeguarding Children Partnership. This includes:

Statutory Guidance

- Keeping Children Safe in Education (2023)
- Working Together to Safeguard Children (2023)
- Multi-agency statutory guidance on female genital mutilation (July 2020)
- Early Years Foundation Stage
- Working together to improve school attendance (May 2022)

Legislation

- The Children Act 1989 and The Children Act 2004
- Section 5B(11) of the Female Genital Mutilation Act 2003, as inserted by section 74 of the Serious Crime Act 2015

- The Equality Act (2010)
- The Childcare (Disqualification) Regulations 2009 (and 2018 amendment)
- The Childcare Act 2006 (all schools with pupils aged under 8)

The school also has regard to relevant non-statutory guidance relating to safeguarding, including:

- What to do if you are worried a child is being abused (2015)
- Guidance for safer working practice for those working with children and young people in education settings (2019 and the addendum added April 2020)

3. GENERAL PRINCIPLES

We will ensure every child becomes the best they can be. But this means we need parents/carers to work with us to ensure that their child(ren) attend school. Through ensuring children of compulsory school age attend school, in return they will receive full-time education suitable to their age, ability and aptitude.

A child is of compulsory school age at the beginning of the term following their 5th birthday. A child ceases to be of compulsory school age on the last Friday in June of the academic year in which they reach the age of 16.

Under the Education Act 1996, the local authority has a statutory responsibility to ensure that parents/carers secure education for children of compulsory school age and where necessary, use legal enforcement.

The Education (Pupil Registration) (England) Regulations 2013, require schools to take an attendance register twice a day, once at the start of the morning session and again during the afternoon session.

The register must record whether the pupil was:

- present
- absent
- present at approved educational activity; or
- unable to attend due to exceptional circumstances.

4. ATTENDANCE AND ABSENCE

Where pupils at compulsory school age are recorded as absent, the register must show whether the absence is authorised or unauthorised.

Absence can only be authorised by the Headteacher and cannot be authorised by parents/carers. All absences will be treated as unauthorised unless a satisfactory explanation for the pupil's absence has been received.

4.1. Procedures for reporting absence

Parents/carers must advise the school on day one of each absence which must be reported by 8:30am. This can be done via Edulink, emailing attendance@pws.emat.uk or by telephone on 01832 272881 and selecting option 2 for main school absence line. If your child is in sixth form and you wish to report their absence please select option 1. Please provide your child's name, the reason for the absence and their expected return date. This must be followed up with medical evidence should a child have visited a doctor/dentist etc. This can be in the form of an appointment letter/card/text or a copy of a prescription.

Vulnerable pupils

Vulnerable pupils include, but is not exclusive to, those who are Looked After Children (LAC), subject to a Child Protection Plan (CP) or Children in Need (CIN), have specific expectations on monitoring to ensure their continued safety. Any unexplained absence will be followed up immediately by a telephone call to the pupil's home, a home visit or by a call to the local authority duty line and/or any other relevant agencies in order that a same-day visit can be made. Children with Special Educational Needs and Disabilities (SEND) will be treated with similar priority. We will work closely with vulnerable pupils' parents/carers and appropriate agencies to support their learning and ensure their safety.

4.2. Categorising absence

Absence is categorised as follows:

- **Illness:** parents/carers may be asked to provide medical evidence to allow the Headteacher to authorise absence where appropriate. This will usually be in the form of an appointment card, prescription etc.
- **Medical/dental appointments:** parents/carers are advised where possible to make medical and dental appointments outside of the school day. Where this is not possible, pupils must attend school for part of the day. Parents/carers must show the appointment card/text to school.
- **Other authorised circumstances:** this relates to where there is cause for absence due to *exceptional* circumstances, e.g. serious family illness or bereavement.
- **Suspension:** suspension from attending school is counted as an authorised absence. In these circumstances, the school will arrange for work to be sent home.

4.3. Requesting a leave of absence

Parents/carers who need to take their **child out of school during term time due to exceptional circumstances must send a written request to the Headteacher** using the school's Term Time Absence Request Form (See Appendix A).

Only exceptional circumstances warrant a leave of absence. We will consider each application individually taking into account the specific facts and circumstances and relevant background context behind the request.

All requests for term time absence will be responded to in writing outlining whether the request for absence has been granted.

Retrospective requests for a term time absences will not be considered and therefore will result in the absence being categorised as unauthorised.

If a pupil fails to return to school and contact with the parents/carers has not been made or received, school may take the pupil off the school's roll in compliance with the Education (Pupil Registration) (England) Regulations 2013. This means that the child will lose their school place.

If the permission to take term time absence is not granted and the parent/carer takes their child out of school the absence will be unauthorised. In such cases, the school may request the local authority issue a Fixed Penalty Notice or consider other legal sanctions including prosecution in the Magistrates' Court.

4.4. Religious Observance

We acknowledge the multi-faith nature of British society and recognise that on some occasions, religious festivals may fall outside school holiday periods or weekends and that this may result in the need for a term-time absence request. Any absence request for religious observance must be in line with DfE guidance relating to absence for religious observance. We may authorise a one day absence per occasion where the day is exclusively set aside for religious observance by the religious body to which the parents/carers belong. Parents/carers will be aware of these dates in advance and a Term Time Absence Request Form should be submitted to the school (Appendix A). Any further days taken will be unauthorised. If a term time Absence Request Form is not submitted the absence will be recorded as unauthorised. Where necessary, the school will liaise with, and seek advice from, the relevant local religious bodies.

4.5. Late arrival to school (punctuality)

Lateness to school or poor punctuality also negatively impact pupils' learning. If a pupil is late by 5 minutes each day, over an academic year this would amount to three whole days of learning lost, 10 minutes lateness is six and a half days, and 15 minutes is 10 days of lost learning. 10 days is 50 hours and this can seriously impact on a pupil's achievement and ultimately, life chances. Good timekeeping is an important life skill. Poor punctuality not only disrupts your child's learning but the learning of others. It is for these reasons we take punctuality very seriously.

Pupils are expected to arrive on time however, **we encourage all pupils to arrive to school 15 minutes before school begins** so that they are in their classroom ready to learn. Lateness to school is not acceptable.

Registration begins at the following times for our pupils:

- 8.50am

Registration is completed by a member of staff and pupils are given a code to show their attendance status (see Appendix B).

The register closes 30 minutes after school begins for all pupils. All pupil absence codes are checked by the Attendance Team and all pupils on site are accounted for by 9:30am. If a pupil is absent and no reason has been provided, we will send a text to the parent/carer at this time. If no response has been received by 10:30am a call will be made to the contacts provided. If the school is not able to make contact with a parent/carer of the absent child a home visit will be made to check on their welfare.

Pupils who arrive after formal teaching has started will be marked as 'Late' on the registers (coded 'L').

Pupils arriving after the close of register must immediately report to reception to sign in to ensure that they are registered correctly, and that staff are aware that the pupil has arrived in school. This will be recorded as an unauthorised half-day absence (coded 'U'). Statutory action, as outlined in section 10, may be taken where appropriate. Lateness will only be authorised if a satisfactory explanation and evidence for the late arrival is provided, for example, attendance at a medical appointment.

Due to the importance of punctuality, all pupils who arrive late to school will be issued with a detention (please see the behaviour and attitudes policy for more details).

4.6. Unauthorised absence

Absence will not be authorised unless parents/carers have provided a satisfactory reason and explanation that has been accepted as such by the Headteacher.

Examples of **unsatisfactory** reasons include:

- A pupil's/family member's birthday
- Shopping for uniform or any other shopping activities
- Having a hair cut
- Closure of a sibling's school for training days or other purposes
- "Couldn't get up"
- Illness where the child is considered well enough to attend school
- Family holidays
- Looking after a family member.

5. ABSENCE PROCEDURES: SCHOOL ACTIONS

If a pupil is marked absent when registration opens and this has not been reported by parents/carers by the expected time (see above), the Attendance Team will send a text message to the parent/carer on the same day to clarify the reasons for the absence and ensure the absence of a pupil is made known to the parent/carer (see appendix E). If contact is not able to be made by text message, contact will be made by telephone call and followed up with a welfare check to the home. If a pupil is deemed to be vulnerable and we have not had a response then we will make a home visit and inform the relevant agencies as appropriate (Police, Social Care etc).

If a pupil is absent for three or more consecutive days and it has not been possible to make contact with the parent/carer, a home visit will be made on the third day of absence and any subsequent days of absence until contact is made. For vulnerable pupils, daily home visits will be made on the first day of absence and any subsequent days of absence. For any child who is absent without explanation and contact is not able to be made, advice may be sought from the local authority in order that further investigations can be made. Police and/or other relevant external agencies may also be notified where the school has concerns.

If a pupil is absent for five or more consecutive days and contact has been made with the parent/carer, a home visit will be made on the fifth day of absence and at regular intervals of no longer than 5 consecutive days. For children defined as a vulnerable pupil, daily home visits will be made on the first day of absence and any subsequent days of absence. For any child, Police and/or other relevant external agencies may also be notified where the school has concerns.

Where there are unexplained or unauthorised absences, the school will contact parents/carers for more information. Where there is a pattern of unauthorised absence, or children being absent from education for prolonged periods and/or on repeat occasions, the school will contact parents/carers to discuss the reasons for this and school systems that could support the family and/or the pupil with their attendance.

Reasons for absence must always be reported by parents/carers. Where a pupil gives a reason for an unauthorised absence, the Attendance Officer will contact the parent/carer to discuss this absence.

A Child Missing in Education (CME) referral will be made by the Attendance Officer where the following criteria applies:

- A pupil has been absent from school for a period of 10 consecutive school days
- The absence was unauthorised
- The school has not been able to contact the parents/carers
- The family do not appear to be living at the home address.

The school will take disciplinary action against any pupils discovered to be truanting. Truancy includes a pupil absconding from lessons and/or absconding from school. In the event of truancy, parents/carers will be contacted to discuss possible reasons and school systems that could support the family and child to reduce the risk of further absence.

6. LOW AND PERSISTENT ABSENCE

We monitor pupils' attendance closely and regularly inform parents/carers about their child's attendance and absence levels, including the amount of time missed and the impact on the pupil's learning.

Percentage Attendance	Number of days absence	Learning hours lost	What happens?
Pupils with attendance 100%	0	0	Maximised chance of success
Pupils with attendance 99 – 96%	2 to 7.5 days	10 to 30 hours	Satisfactory level of attendance considering genuine illnesses or other authorised circumstances
Pupils with attendance 95 - 94%	8 to 11 days	37.5 to 55 hours	The school will notify you that your child's attendance has dropped below the satisfactory level by letter and will be monitored until it is no longer of concern.
Pupils with attendance 93 - 91%	13 to 17 days	65 to 85 hours	You may be notified that your child's attendance is being monitored and if it does not improve within a targeted time frame you may be asked to come into the school to explain the reason for your child's absences to senior leadership and possibly a member of the Governing board.
Pupils with attendance below 90%	19 days or more	95 hours or more	If you have been asked to attend a meeting to discuss your child attendance and it has not improved, you are at risk of the school referring the case to County Council for irregular attendance review. If County feel it is an aggravated offence, you may be issued with a fixed penalty notice or even legal proceedings where you will be expected to explain your child's attendance to a magistrate.

We report pupils' attendance to parents and carers on a regular basis. Where we have concerns about attendance we will notify parents / carers by letter (see appendix D). In addition, we provide parents and carers with weekly updates by text or email (see appendix F).

6.1. Persistent Absence

A pupil has persistent absence (PA) if attendance falls below 90%. When a pupil misses 10% or more of school this is equivalent to 1 day or more a fortnight across a full school year. We will put additional targeted support in place for pupils who are persistently absent.

6.2. Severe Absence

Severe absence is when attendance falls below 50%. Pupils who are absent from school more than they are present are identified as severely absent pupils.

These pupils may find it more difficult to be in school or face bigger barriers to their regular attendance and as such, we will provide more intensive, targeted support and an agreed joint approach with parents/carers, local authorities and where necessary, working with additional partners and agencies. All partners will work together, including specific support with attendance, including where relevant a whole family plan, or, for example, possible consideration for an education, health and care plan or an alternative form of educational provision where necessary to overcome barriers to a pupil being in school.

We will work with the local authority's School Attendance Support Team to identify, discuss, and agree joint targeted actions for pupils who are persistently or severely absent and those at risk of becoming so. This will include agreeing what support the LA will provide and which (if any) other statutory or voluntary services should become involved.

Parents/carers should do everything possible to encourage all school-age children to attend. However, if the reason for their reluctance appears to be school based, such as difficulty with work, please discuss this with the school at the earliest opportunity and the school will do everything possible to resolve the problem.

School refusal/school phobia is a psychological condition that has been medically diagnosed. Other arrangements may be put in place for a child with a genuine school phobia diagnosis and referrals to external agencies will be sought to support the pupil in receiving their education.

7. REMOVAL FROM THE SCHOOL REGISTER

In accordance with the Education (Pupil Registration) (England) Regulations 2013, pupils can be removed from the school's register when one of the following circumstances applies:

- The pupil has ceased to be of compulsory school age.
- Permanent exclusion has occurred, and the correct process has been completed and the local authority have indicated the pupil can be removed from roll.
- Transfer to a new school; the pupil will not be removed from the register until we have received confirmation of their new provision and evidence the pupil has started.
- The pupil is withdrawn by the parent/carer (in writing) to be educated outside the school system.
- Failure to return from an extended holiday after the school has tried to locate the pupil, continuous unauthorised absence and/or the school has not been able to locate the pupil.

The school will complete a Child Missing in Education (CME) application to the local authority.

- Avoid taking their child out of school during term-time. Where this is unavoidable, and in exceptional circumstances, parents/carers will need to complete a Term Time Request for Absence Form prior to the absence.

9. MONITORING ATTENDANCE

Specific measures to monitor attendance must be embedded and regularly checked to ensure the safeguarding of all pupils through specific and tailored interventions. These include:

- Registering pupils accurately and efficiently – recording within the first 5 minutes of every lesson / session on Arbor. In the event this system is down, a paper register must be sent to the attendance office immediately.
- Setting attendance targets for individual pupils and specific groups, in line with national and trust expectations.
- Monitoring the attendance of vulnerable groups in relation to local and national figures for all pupils.

- Using Pupil Premium funding to address persistent absence and severe absence of disadvantaged pupils and regularly monitoring the impact of such interventions.
- Ensuring a multi-agency approach is in place for all pupils with severe absence.
- Working collaboratively with the School Attendance Support Team.
- Regularly monitoring pupil attendance and punctuality, reporting overall absence, persistent absence rates and severe absence rates for all pupils to the Governing Board and East Midlands Academy Trust (EMAT).
- Persistently monitoring low attending pupils over time to ensure rigorous intervention strategies are provided and demonstrate positive impact.
- Reporting school attendance statistics to parents/carers, local authority and DfE as appropriate.

9.1. Internal Truancy

All pupils are expected to attend lessons as set out on their individual timetables. If a pupil does not attend each lesson the teacher will mark the register with an absent mark (N).

All teaching staff ensure that registers are recorded accurately and will change the absence (N) to a late mark (L) if a child arrives after the register is taken. A comment will be recorded as an attendance comment on Arbor as to why they are late.

The Attendance Team monitor and track all 'N' marks to lessons. They will analyse patterns of attendance to see if a pupil has been absent since the start of the school day (this will be picked up by the first-day response team) or if they have been attending other lessons and are absent for just one lesson during the school day. This would indicate possible internal truancy.

The Attendance Team will locate in the school site, any pupils who are absent to lessons but were registered at the start of the school day and liaise with heads of year, the mental health hub staff and other school teams.

Truancy will be dealt with through the behaviour policy. Please see the behaviour policy for more details.

If we are unable to locate a pupil

In the event that an absent pupil cannot be located following the checks made by the Attendance Team, a member of the safeguarding team will be notified that the pupil is missing. The safeguarding team will liaise with the parent/carer by telephone to inform them that their child has not attended their class and has not been located in the school. This telephone call is not to alarm the parent/carer, but to identify if there are any reasons for the absence, and to clarify the next steps to ensure the pupil's safety. Where necessary, the Police and/or other agencies will be contacted to support in locating the pupil. When the missing pupil is located, a phone call will be made home to notify the parent or carer by the same member of staff who made the original call, and clarify with the parent/carer, the next steps in response to the pupil's absence.

9.2. Absence and attendance codes

National absence and attendance codes enable schools to record and monitor attendance and absence in a consistent way and comply with regulations. They are also used for collecting statistics through our school census system. The data helps schools, trusts, local authorities, and the Government to gain a greater understanding of the level of, and the reasons for absence.

Details of the attendance codes can be found in Appendix B and Government guidance (*Working together to improve school attendance*) regarding school attendance can be found by clicking the following link:

[Guidance on attendance codes \(pages 55 – 65\)](#)

9.3 Using Attendance Data

We regularly monitor and analyse attendance and absence data to identify pupils or cohorts that require support with their attendance and put effective strategies in place. We will work collaboratively with parents/carers, local authorities, and other partners when absence is at risk of becoming persistent or severe.

We monitor and analyse weekly attendance patterns and trends to deliver intervention and support in a targeted way to pupils and families. This looks at individual pupils, cohorts and groups (including their punctuality) across the school.

Attendance and punctuality analysis is used to provide regular attendance reports to class teachers or tutors to facilitate discussions with pupils and to leaders (including any special educational needs coordinators, designated safeguarding leads and pupil premium leads). Pupils who need support are identified and staff efforts are focused on developing targeted actions for these individuals or groups.

Half-termly, termly, and full year data is analysed and monitored to identify patterns and trends of pupils and cohorts. This data is benchmarked (at whole school, year group and cohort level) against local, regional, and national levels to identify areas of focus for improvement.

Specific strategies to address areas of poor attendance or punctuality are identified through data. The impact of school wide attendance efforts, including any specific strategies implemented, are monitored and the findings are used to evaluate approaches and inform future strategies.

Strategies used to improve attendance at Prince William School include –

- Close monitoring of attendance by a dedicated team of attendance officers.
- Targeted interviews held with form tutors, heads of year, attendance officers, or the senior team for both student and parent/carer.
- Close partnership with the local authority Education Inclusion Partner.
- A structured approach to communications with a planned series of letters and meetings prior to any outside agency action.
- The use of video calling to ensure that students are absent and safe.
- The provision of a breakfast club and extensive extra-curricular opportunities to encourage attendance at school.
- The provision of a late bus to enable students to attend an extended curriculum once each week.
- A range of rewards for high or improved attendance including a rewards event each term, canteen vouchers for good attendance, prizes and certificates in the learning award assemblies each term, an annual attendance prize, and half-termly rewards for students from particular cohorts.
- Additional support from the SEND department and the lead teacher for promoting the outcomes for disadvantaged students.

10. SUPPORT SYSTEMS

We recognise that poor attendance can be an indication of other issues in a pupil's life. This may be related to problems at home and/or in school. Parents/carers should make the school aware of any difficulties or changes in circumstances that may affect their child's attendance and/or behaviour in school, for example, bereavement, divorce/separation, incidents of domestic abuse. This will help the school identify any additional support that may be required.

We also recognise that some pupils may need more additional support to attain good attendance, for example, some pupils with special educational needs, pupils with physical or mental health needs and looked after children.

The school will implement a range of strategies to support improved attendance (see appendix C). These include:

- Discussion with parents/carers and pupils
- Convening attendance panels
- Parenting contracts
- Attendance report cards
- Referrals to support agencies – Early Help
- Learning Mentors
- Pupil Voice activities
- Friendship groups
- PSHE support
- Family learning
- Reward systems
- Time limited part-time timetables
- Additional learning support
- Behaviour support
- Inclusion units
- Reintegration support packages via our Family Support Workers

All support offered to families will be child-centred and planned in discussion and agreement with parents/carers and pupils. Where parents/carers fail or refuse to engage with the support offered and further unauthorised absence occurs, the school will consider the use of legal sanctions.

11. ATTENDANCE LEGAL INTERVENTION

Where voluntary support has not been effective and/or has not been engaged with, we will work with the local authority to put formal support in place in the form of a parenting contract or an education supervision order; issue a fixed penalty notice where support would not be appropriate or has not been successful or engaged with and it is likely to change parents'/carers' behaviour; intensify support through statutory children's social care involvement where there are safeguarding concerns, especially where absence becomes severe (below 50% attendance); prosecute parents/carers where all other routes have failed or are not deemed appropriate. This could include making the case for a community or parenting order where the parent/carer is convicted to secure engagement with support.

Parenting Contracts

A parenting contract is a formal voluntary written agreement between a parent/carer and the school to address irregular attendance at school or alternative provision.

The aim from the outset is for the parent/carer(s), the pupil where they are old enough, and the school to work in partnership. The contract will outline attendance targets and will detail agreed actions that will help to achieve the target. The contract will be reviewed regularly.

It is important to note that while a parenting contract is used as an alternative to prosecution, parents/carers who do not engage with the contract and/or fail to carry out agreed targets identified in the contract may be subject to future prosecution. Furthermore, evidence of failure to engage with the parenting contract can be used as evidence in subsequent prosecution.

Education Supervision Orders (ESOs)

Where a formal parenting contract has not been successful, an Education Supervision Order (ESO) is used as an alternative to provide formal legal intervention without criminal prosecution. Where there are safeguarding concerns, children's social care services will be involved in the ESO.

ESOs are made through the Family or High Court, rather than Magistrates Court. They give the local authority a formal role in advising, helping and directing the pupil and parent/carer(s) to ensure the pupil receives an efficient, full-time, suitable education. For the duration of the ESO, the parent's/carer's duties to secure their child's education and regular attendance are superseded by a duty to comply with any directions given by the local authority under the ESO.

Where parents persistently fail to comply with the directions given under the ESO, they may be guilty of an offence and the local authorities may prosecute in the Magistrates Court for persistent non-compliance with the Order and parents/carers (upon conviction) will be liable to a fine of up to £1,000.

Prosecution

Prosecution in the Magistrates Court is the last resort where all other voluntary and formal support or legal intervention has failed or where support has been deemed inappropriate in the circumstances of the individual case.

It is important that parents/carers realise their own responsibilities in ensuring their child's attendance at school. Section 444 of the Education Act 1996 states that if a parent/carer fails to ensure the regular school attendance of their child, the child is a registered pupil at a school and is of compulsory school age, then they are guilty of an offence.

The school will provide the local authority with evidence required for a prosecution under Section 444 of the Education Act 1996 and will appear as a prosecution witness if required by the court.

A parent/carer found guilty of this offence can be fined up to £2500 and or be imprisoned for a period of three months.

Parenting Orders

Parenting orders are an ancillary order that can be imposed by the Court following conviction for non-attendance alongside a fine and/or community order. Parents' agreement is not required before an order is made. They may be appropriate where the parent has not engaged in support to

improve their child's attendance and where compulsion to do so would help change parental behaviour.

Fixed Penalty Notices

Penalty Notices will be considered when:

- A pupil is absent from school and the absence has not been authorised by the school
- A pupil has accrued a number of unauthorised absences following written warnings to improve
- An excluded child is found in a public place during school hours without a justifiable reason.

Fixed penalty notices can be issued to each parent liable for the attendance offence or offences, which should usually be the parent or parents with day-to-day responsibility for the pupil's attendance.

A Penalty Notice is a fine of £120 if it is paid within 28 days, reduced to £60 if paid within 21 days of the date the Notice was issued.

Failure to pay the Penalty Notice may result in a prosecution under Section 444 of the Education Act 1996. Penalty Notices will be used in accordance with the Local Authority.

See the following government guidance for more information: [School attendance and absence: Legal action to enforce school attendance - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/school-attendance-and-absence-legal-action-to-enforce-school-attendance)

12. MONITORING AND EVALUATION

The implementation of this policy is carried out by the Headteacher, the Deputy Headteacher and the Attendance Officer. Changes will be recommended to Governors and ratified by the Full Local Advisory Board.

The policy is published on the school's website and is shared with parents/carers with any initial information when pupils join the school. Parents/carers are reminded of it at the beginning of each school year and when it is updated.

Appendix C – Working Together to Improve Attendance

Working together to improve school attendance (DfE)

Appendix D – Template letters sent to parents/carers

Attendance 90-95% letter

Dear Parent/Carer

We need your help.

At Prince William School we regularly review attendance as there is significant evidence that shows it is linked with achievement. DfE research shows that for every 17 days of school missed, GCSE results drop by one grade. This could be the critical factor in your child achieving the required grades for their chosen course post 16. We also know that students fall behind their peers when they miss school and we believe that, as a community, we are stronger together. This is why we actively encourage all students to be in school, on-time, every day, to build life skills and life-long friendships, as well as preparing your child for future success.

I am writing to you because []'s attendance is now below 95% and as such has fallen below the "good attendance" benchmark that we want all students to achieve. We know that illnesses occur much more often in school environments and there are days when students are really too unwell to attend school. Medical evidence is clear however, that children with mild illnesses will often be well enough to attend and this is what we want to encourage. The NHS guidance 'Is my child too ill for school?' (www.nhs.uk/live-well/is-my-child-too-ill-for-school) is designed to support parents and carers in their decision making about mild illnesses. We also have a dedicated team at Prince William School, who will be able to assess your child if they are feeling unwell and make the decision about whether they should in fact be at home.

We believe that if we work together, both parents/carers and school can have a significant impact on improving your child attendance and we would really appreciate your help and support ensuring [] comes to school every day so that they can achieve the best possible outcomes. We appreciate that every family's situation is unique and if you need any additional support from us please feel free to contact us. You will be able to contact your child's teachers and head of year via Edulink and the attendance team can be reached at attendance@pws.emat.uk or call the school and ask for us.

Kind Regards

Jaz Dixon and Zoey Boon - The Attendance Team

The importance of attendance

What YOU must do:

Report your child's absence by 8:30am - This can be done via Edulink, emailing attendance@pws.emat.uk, or leaving a voicemail on the absence line. We are unable to take calls during the morning as this is our busiest time. If you need to discuss your child's absence please leave a note on your message and one of us will get back to you ASAP.

Tell the school in advance of any medical appointments and provide a copy of appointment cards/letters. If you are reporting the absence via Edulink or email, you can attach an image of the letter.

If you are not sure whether your child is well enough to attend school, send them in anyway as they often perk up on arrival, but if they do not we will call you to collect them.

Have a back-up plan if your child misses school transport. Remember, it is YOUR responsibility to make sure your child gets into school.

If you or your child are experiencing difficulties with school attendance, then talk to us as a first step so we can help.

What WE will do:

Check your child's attendance everyday.

We will contact you if your child has not registered by 10:30am for a reason for their absence. If we cannot establish a reason for your child's absence, we may be required to make a home visit as a welfare check.

If your child becomes unwell during the school day, we will assess them and decide whether they need to be sent home. If we feel that your child is well enough to continue with the school day we will ask them to do so and you can reassess for the following day when they get home. If your child decides to contact you themselves, we would ask that you respect our decision in loco parentis and not collect your child unless we ask you to do so. If you do decide to collect your child their absence will be unauthorised. Please also be aware that we have a strict NO phone use policy at Prince William School and your child's phone will be confiscated for the remainder of the day for not following it.

If your child's attendance becomes a concern you may be invited in for a meeting to discuss the reasons behind their absences. At the meeting you will be asked to sign a contract in which you agree that your child's attendance will improve by an agreed date. Please note, this contract is voluntary, however, if your child fails to meet the terms it can be used as evidence if the local authority chose to prosecute you.

Attendance Review letter 1

At Prince William School, we like to work with parents and carers to improve attendance and student performance to avoid proceedings from the Education Inclusion Partnership team at County Council. Therefore, we regularly review students attendance, and as a result has been brought to our attention as their attendance is currently below 90%, meaning is now considered persistently absent from school under government guidelines.

I would like to take this opportunity to inform you that any further absences will not be authorised unless medical evidence is provided or the absence is due to an exceptional circumstance that has been approved by the school. Absences will remain unauthorised until 's attendance is above 95%. 's attendance will be reviewed again at a date outlined below and we expect to have attended 100% of the time. If your child fails to meet this target we will be in touch to discuss what the next step is.

Review date:.....

If you or have any questions regarding attendance, please contact our attendance team at attendance@pws.emat.uk or by telephone on 01832 272881.

Yours Sincerely

Miss Dixon - Attendance Officer

Attendance review 2

Dear

I am writing to advise you that after a review of all students, your child's attendance has been flagged as it has again slipped below a satisfactory level.

Whilst we do acknowledge any genuine illness and medical or authorised absences, 's attendance is now and as such is at risk of being reported to the Education Inclusion Partnership at North Northamptonshire Council. I must advise you that they may wish to pursue a fixed penalty notice or legal proceedings for 's irregular attendance.

We will review 's attendance again on the date outlined below. As before, all further absences will be unauthorised unless sufficient evidence is provided to support the reason.

Review date:.....

If you wish to discuss this further, please contact me at the school or via email.

Yours Sincerely

Miss Dixon - Attendance Officer

Review period failed

Dear

I am writing to advise that the review of 's attendance between 1st December 2023 and 2nd December 2023 has now come to an end. Unfortunately, 's attendance has not improved as requested during this period, therefore has not passed the review.

Whilst we do acknowledge any genuine illness and medical or authorised absences, 's attendance is now {{ customReportRow.column951 }}, and as such is at risk of being reported to the Education Inclusion Partnership at North Northamptonshire Council. I must advise you that they may wish to pursue a fixed penalty notice or legal proceedings for 's irregular attendance.

If 's attendance does not improve by the date outlined below, you will be asked to attend a meeting with myself and Mr Kennedy and/or a school governor. At this meeting you will be expected to provide evidence for 's absences.

As before, all further absences will be unauthorised unless sufficient evidence is provided to support the reason.

Review date:.....

If you wish to discuss this further, please contact me at the school or via email.

Yours Sincerely

Miss Dixon - Attendance Officer

PCM appointment

Dear

We recently wrote to you to advise that we would be monitoring 's attendance. Unfortunately, this has not improved and they are considered as 'persistently absent' from school under government guidelines. Ultimately, this could result in a fast-track process where a member of the County's Education and Inclusion Partnership team would set a target and review date, with a court date agreed if the target is not met. You may also be asked to attend an interview under caution dependant on the severity of your child's absence from school or previous dealings with EIP.

As a result of 's attendance at this stage, you are invited into a 10 minute meeting with myself and the Deputy Head Teacher at a time and date detailed below, a Governor may also be present.

At the meeting we will discuss the reasons for 's absences and set a target and review date based upon this. If this target is not met, the school will refer you to the County team where you may be issued with a fixed penalty notice or even a legal action.

Attendance % as of :

Appointment Date &

Time:.....

If the time provided is not convenient, we will endeavour to arrange an alternative, although we may choose to meet with your child without you in attendance. If you and are both absent from the meeting, the target will be set and communicated to you.

Yours sincerely

Miss Dixon - Attendance Officer
