Dear parents/carers,

### **Updated Meal Deal offer and Pricing**

I am pleased to share with you that we have been working with our catering partner Aspens to review and improve the meal deal offered to our secondary students. The new meal deal features three items including a hot meal option and will be available from February half-term.

We have worked hard to improve the meal deal available to our learners and held a sample day with students this week, who were overwhelmingly positive about the changes we have made. Following discussions with our Pupil Parliament, we are pleased to introduce to option for a piece of fresh fruit as part of the new meal deal.

<b>Choose a main option from the choices below:</b>	<b>Choose a dessert option from the choices below:</b>	<b>Choose a fruit option from the choices below:</b>
Hot meal of the day	Dessert	Fruit Portion
Topped pasta		
Filled jacket potato	OR	OR
Sandwich		
Half baguette	Cookie	Fruit pot
Hot wrap		

To reflect the improved meal deal, the price will increase from £2.30 to **£2.50** starting after February half-term when the new meal deal is introduced. This change reflects the improvement to the meal deal, as well as rising food and operational costs. This is the first price increase we have made in five years, and the cost still remains below the national average. We can confirm that the meal allowance for students receiving Free School Meals will also increase to £2.50 to cover the full cost of the meal deal.

Thank you as always for your ongoing support.

Ms. Anna Hewes  
Head Teacher
