Dear Parents and Carers,

As you may know, Oundle Vintage Festival taking place on Saturday 16th May. You and your family are warmly invited to enjoy this free and joyful celebration of music, style and community across the decades in the town centre.

This much-loved local event offers a fantastic day out for all ages, with a wide range of attractions to keep the whole family entertained. From vintage vehicles and classic stalls, delicious food, live music, performances, a traditional fairground and nostalgic attractions. There is something to capture everyone's interest, with children and adults alike able to explore the sights, sounds and flavours of the past in a friendly atmosphere.

Everyone is welcome to embrace the vintage theme by dressing up, if you wish. Be inspired by any era—whether that's 1940s elegance, 1950s rock 'n' roll, 1960s mod style, 1970s bohemian flair, or anything in between. Dressing up brings the festival to life and adds to the shared sense of fun. You may even wish to enter the Best Dressed Competition—a wonderful opportunity for children and families to show their creativity and join in the excitement. Entry tickets will be available from the competition stall next to the festival headquarters outside Oundle's Tesco.

By attending, you will also be supporting the local community. Profits and donations from the festival will go to the Oundle Town Council Community Support Fund, which provides grants to local groups, charities, and community projects that benefit our town and its residents.

We hope to see many of you there between 10:00 a.m. to 4:00 p.m., enjoying the celebration and giving your children a fantastic insight into past times.
