Prince William Weekly Perspective

“Success isn’t always about greatness. It’s about consistency.” Dwayne Johnson

As we approach exam season many of your resilience will be tested. Good Luck to all those taking exams in the next few weeks. We are so proud of your attitude to learning and the resilience you have shown in the run up to your exams. Consistently attending revision sessions and preparing brilliantly.

You’ve got this!

For those who are not approaching exams, consider how you might support those members of our community who are.

New Project Launch!

In assemblies this week you will be hearing all about the launch of our brand new PWS 'Leadership Legacy Project'.

Next week during form time you will receive support with the application process, **but applications are open now!** See Edulink for more details.

What kind of legacy would you like to leave behind at PWS?

What difference could you make in the local community?

Longtown Trip Launch

Are you currently in **Year 7** and would like to come on an incredible residential trip in April next year?

Information went out to parents last Friday. Please complete the expression of interest to let us know if you would like to come.

It is an incredible trip with opportunities to go gorge walking, caving, climbing, kayaking and much more.

Well Done!

Some of our Year 11 students have worked in collaboration with Oundle School to write another fantastic article for the 'Oundle Chronicle', a newspaper that is widely distributed in our local area.

A huge thank you to: Eduard Popa, Polina Dorohykh, Riley Brooks, Ben Phillips, Chikamso Nnabuihe-Nwagwu, and Lily Taylor for their excellent research and hard work in putting together the article. It focuses on how well the town of Oundle serves young people and can be found on page 10 of the newspaper.

have copies in E5 if anyone is interested.

Punctuality

'We want to help you to get to lessons punctually in order to make the most of your learning time.'

The bells will ring at 11.17am and 1.37pm. Please make sure that you start moving to lessons when you hear these so that you are ready to go into class at 11.20am or 1.40pm.'

Homework Club

Do you have work that you would prefer to do in school, rather than when you get home and just want to relax?

Why not try homework club?

It offers a warm and quiet place to finish off work or revise for upcoming tests especially through the cold and wet winter months!

Why not try it out?

Just ask your tutor, or your subject teacher to add you to the register for a particular day to secure your spot in the warm!!

**Any year- any time;
break or lunch!
Computers
available!**

New After School Homework Club

Do you have work that you would prefer to do in school, rather than when you get home and just want to relax?

Why not try homework club?

It offers a warm, supervised and quiet place to finish off work or revise for upcoming tests especially through the cold and wet winter months!

This new club will be available Monday to Wednesday in MFL after school but you must secure your place via Arbor sign up.

Any year

Computers available!

Extra Curricular Clubs and Interventions

Extra curricular clubs and academic interventions will begin again today. A letter was sent home yesterday detailing all opportunities available.

Your parents / guardians will need to sign you up for **ANY** extra curricular club or academic intervention via Arbor. You will not be able to attend if not registered.

If you have previously registered for or attended a club or afterschool intervention/ revision session you will need to RE REGISTER for this on Arbor at the start of each term.

Year 7 Science Inter-House – Newton’s Flight Club

This competition is currently running in year 7 science lessons and will end on Friday 15th May. The results and house points will be published in the last PWP this half-term.

Good luck year 7! Jet, Set, Go!

Class Practical: Investigation of paper airplane speed

Paper Size	Time 1 (s)	Time 2 (s)	Time 3 (s)	Mean Time (s)	Speed (m/s)
A3					
A4					
A5					
A6					

- Make 4 paper airplanes: A3, A4, A5 and A6.
- Measure a distance of 5m in length.
- Determine the time taken for each airplane to cross the finish line.
- Calculate the mean time for each sized airplane.
- Calculate the speed of each airplane.

CHALLENGE: State how results would vary using card instead of paper
