What special things would you like to make happen this year?

What memories of your time at school stand out?

PWP – cover lessons

# Why do you get supply teachers?

- Sometimes staff are ill or have an agreed absence from school.
- On these occasions, the school has to put a cover or supply teacher in.
- The content of the lessons is set by your teacher or the head of department for the subject you are in.
- The work will build towards your exams or assessments.

# How should I behave?

It is in your interests to behave well and complete the work.

Your teacher will return and will want to see that you have engaged well.

You do not want to have a sanction because of your behaviour.

But most importantly, it is **your learning and your future that you are investing in.**

# Reputations

- Many supply teachers visit different schools in the area.
- We would like them to say how fantastic the students at PWS are.
- This spreads positivity in the community about the school which can help your life chances in the longer term.
- But the opposite can be true – poor behaviour leads to a loss in the reputation of the school.
