

Year 12 Reports 2024/25

To support your child in achieving in year 12, there will be three reports issued:

Term 1 – November 2024

Term 2 – February 2025

Term 3 – June 2025

The term 3 report will be based on the end of year 12 exams.

All dates are subject to change.

Grades

For each subject, the report will contain a working at grade and an A Level (end of course) target grade.

The A Level target grades are set using nationally analysed performance data that use a student's prior attainment (GCSE) levels. These reflect a realistic grade that your child should be working towards achieving. The grades are not a prediction or minimum level of achievement.
