Arrangements for results day(s)

Collection in person:

Students are to collect their results from the Gloucester Hall at Prince William School between **09:00am and 11:00am** on the morning of the results date. Please be aware that plans may be subject to change at late notice. Updates will be posted on the [PWS website](#) if required.

If you are unable to collect your exam results in person on results day, options are:

- View your results on Arbor from midday onwards on results day.
- Nominate a person to pick up exam results on your behalf. If you wish to do this, please complete and email in the form below and remind the person you have nominated to collect your results that they must present photo ID upon collection. We must be made aware of this in advance of results day.
- Uncollected results will be sent out by post to the home address held on the school system. Any change of address should be notified in advance of results day. Prince William School does not take any responsibility for results information sent out to addresses where this process has not been followed.

Arbor:

Results on Arbor will be available to all students after midday on results day and can be accessed via the Examinations area within Arbor. In line with JCQ regulations, only the student will be able to view results using their own login; parent/carers logins will not show exam results. If you will be using Arbor to view your results on results day, please ensure you are able to log in. Any queries with log ins or accessing Arbor will need to be raised and resolved before the end of the summer term.

Nominate someone to collect results on your behalf:

Please provide the information below if you would like to nominate a person to collect exam results on your behalf:

I give permission for my representative: to collect my results on my behalf.

I confirm that my representative will provide photographic ID on collection.

Candidate Signature:

The student must send it from their school email address.

This must be completed by the student, a parent/carer cannot send or sign on a student's behalf.

Concerns about your results

When you receive your results, if you think that a grade is wrong, your first step should be to speak to a member of teaching staff, or Mrs Gallagher (Exams Officer) on results day.

Details of the post-results services to obtain a copy of your script or a review of marking from the exam boards will be enclosed in your results envelope. Information will include the services offered, deadlines to apply, and charges made by the exam boards. This information will also be available to view on the exams page of the [PWS website](#), closer to results days.

Certificates

Certificates are issued by the exam boards and sent to schools in November. Your certificates will be issued to you at a presentation evening on the following dates:

- Ex-Year 11: Thurs 3rd December 2026
- Ex-Year 13: Mon 4th January 2027

Further information on presentation evenings will follow nearer the time, please note dates are subject to change.

If you are unable to attend the presentation evening, you will need to collect and sign for your certificates from school Reception after the presentation event has taken place. Please ensure you collect your certificates as soon as possible. Schools and colleges must destroy any uncollected certificates; it will be costly and time consuming (approx. £65 per certificate) for you to obtain duplicates from the exam boards.

If you are unable to collect certificates from school in person, please email the Exams Officer (joanne.gallagher@pws.emat.uk) to nominate someone to collect on your behalf. The person you nominate will need to provide photo ID upon collection and will sign to confirm your personal details and grades are correct.
