Dear Parents and Guardians,

We are pleased to announce a series of targeted A-Level Revision and Exam Technique Sessions.

These are aimed at students who need to build confidence answering exam questions. We encourage all students to attend. The sessions will take place every Monday in room S13.

### **Session Focus**

Deconstructing Exam Questions: Learning how to identify exactly what the examiner is asking for.

Mark Scheme Mastery: A "behind-the-scenes" look at how marks are awarded and how to avoid common pitfalls.

Time Management: Strategies for pacing themselves under exam conditions to ensure questions are answered well.

### **How You Can Support Them**

Please supports the department in the following ways:

Ensuring Attendance: These sessions are most effective when students attend the full series.

Prioritizing Wellbeing: Remind them that these sessions are tools to reduce stress, not add to it.

We look forward to their attendance at the sessions.

Best regards,

Mr Alisauskas
