Dear Parents and Carers,

RE: Leadership Legacy Project Sponsorship

At Prince William School, we are proud to launch our new **Leadership Legacy Project (LLP)** – an exciting initiative designed to give students authentic opportunities to lead, influence change and leave a lasting impact on our school and wider community.

Students can apply to become members of one of four leadership boards:

- **Student Ambition Board** – promoting aspiration, achievement and future opportunities
- **Community Social Action Board** – leading charitable projects and strengthening community partnerships
- **Arts and Culture Board** – enriching school life through events, creativity and cultural experiences
- **Sporting Leaders Board** – championing participation, wellbeing and sporting opportunities

To make these boards as impactful as possible, we are seeking **local business sponsors** to become the official partner for each leadership board.

We are looking for businesses willing to provide financial sponsorship to support projects, events and initiatives developed by students. In return, sponsoring businesses would:

- Become the **official sponsor** of a leadership board
- Receive recognition across promotional materials and school communications
- Be invited to key **Leadership Legacy Project events** and celebrations
- Develop meaningful links with young people and support future talent within our community
- Demonstrate visible investment in education, leadership and local social impact

Importantly, sponsorship funding would become each board's **working budget**, giving students genuine ownership over planning, decision-making and creating positive change. We hope this experience will help students develop entrepreneurial thinking, leadership skills, budgeting experience and an understanding of how partnerships between education and business can drive meaningful outcomes.

This is more than fundraising; it is an opportunity for students to experience real-world collaboration while building projects that reflect the values and ambitions of Prince William School.

If you own a business, work within an organisation that may be interested, or have contacts who might like to explore sponsorship opportunities, we would be delighted to hear from you.
