Dear Parent/ Carer,

This week saw our year 13 mock exams continue and our year 12 students had a presentation by the fire brigade on road and driving safety, an issue that is very much in our mind as more of the Year 12s pass their driving tests. Year 11 intervention sessions are in full swing (see below for sign up) and attendance at these have been fantastic.

As we continue working on our communication between school and home, please could you take 1 minute to complete this survey for me about preferred ways that we communicate with you: [Prince William School | Preferred Communication Channels – Fill in form](#). With this information, I will be able to understand which or the many portals we use is the community's preferred, so I can ensure our messages get to as many of you as possible.

Thank you,

#### **Parent Forum**

We are pleased to announce we will be hosting our first Parent Forum event next month to improve the way we communicate with our parents and take your views into account when making decisions.

The first Parent Forum will be held on Thursday 5th February from 5.30pm to 6.30pm at the Souster Youth Hub, in Market Road, Thrapston, and I would love to see as many of our parents and carers there as possible.

The aim of the forum is to hear parents' voices and to allow you to have input into any changes we are looking to make. The topic of our first event will be school reports and how we can make sure we are providing feedback for parents in a way that means they can support learning at home and better understand what their child is learning.

Please register your interest in attending our Parent Forum event on Thursday 5th February by [clicking here](#).
