Dear Parent/ Guardian,

**RE: Homework Club**

Thank you for your support in ensuring that our students are completing the homework tasks they have been set to the best of their ability and so have been successful in expanding and consolidating their learning.

On top of this, homework club is increasingly well used at break and lunch times- in fact there have been over 530 visits for revision or voluntary completion of homework this term!

To continue to develop our provision and support for students, whilst maintaining high challenge and aspirations, we would like to extend the provision. From January 12<sup>th</sup>, students will be able to attend an after-school homework club on either/or/and Mondays, Tuesdays, Wednesdays in the English Central Area from 3.30-4.30pm. This will be a relaxed environment, with a drink and biscuit available, supervised by one of our very capable ISPs and with access to both a quiet and PC available workspace.

Very few of our student body have failed to hand in homework set this term, but if students do struggle, for whatever reason, this is a perfect opportunity for them to be successful so I would highly recommend it.

To register your child for this provision please go to the club section of Arbor. In doing so, you are committing to taking up a place as numbers will be capped at an appropriate level to allow for adequate supervision.

Thank you for your engagement with this and I look forward to seeing how this exciting new club will develop and continue to support our students in becoming aspirational, resilient and respectful learners.

Thank you,

A handwritten signature in black ink that reads 'Anna Mayes'.
