

Year 13 Reports 2022/23

To support your child in achieving in year 13, there will be three reports issued:

Term 1 – October 2022

Term 2 – January 2023

Term 3 – April 2023

The term 1 reports are based on the mock examinations taking place during November. The term 3 reports are based on the second set of mock examinations.

All dates are subject to change.

Grades

For each subject, the report will contain a working at grade, a flight path target grade and an A Level (end of course) target grade.

The flight path for year 13 is included below and to judge the progress of your child, compare the current working at grade to the relevant flight path target.

Y13 Report 1	Y13 Report 2	Y13 Report 3	A Level
B-	B+	A	A*
C+	B	B+	A
C	C+	B-	B
D	D+	C-	C
E	E+	D-	D
E-	E-	E	E

The A Level target grades are set using nationally analysed performance data that use a student's prior attainment levels (GCSE grades). These work alongside the flight path targets and reflect a minimum that your child should be working towards achieving.

The attitude to learning (ATL) grades are graded between 4 and 1 using the following criteria:

3 - Good

Homework is always completed on time with good attention.

2 – Requires Improvement

Homework is usually completed but not to the highest standards achievable.

1 - Unacceptable
