Friday 9th January 2026

Dear Parent/Carer

Our afterschool Science Club for Year 7 students will be restarting for the spring term on Thursday 15th January. The sessions will run for 9 weeks with the last session taking place on Thursday 19th March. It will run from 3.30pm-4.15pm in S1.

The plan will be to run some practical activities in each session and therefore the club will be limited to 20 students. As the activities are repeated on a termly basis, we are requesting that if a student participated last term that they do not sign up this term to allow other students to participate. If there are still places available after the sign-up deadline of Wednesday 15th January, then we can look at including previous participants.

Science club dates

Thursday 15th January
Thursday 22nd January
Thursday 29th January
Thursday 5th February
Thursday 12th February
Half term – no club 19th February
Thursday 26th February
Thursday 5th March
Thursday 12th March
Thursday 19th March

The Science Club will be run by Miss Anabelle Higgs from The Oundle School as part of the STEM Open Partnership with help from teachers from the Prince William School Science department.

Sign up is on a first come first served basis.

If you would like your child to attend this club, please complete the sign-up process on the Arbor App as soon as possible but by the end of the school day on Wednesday 15th January.

Yours faithfully

Rachel Donegan
