Dear Parents and Carers,

I am delighted to introduce myself as Miss Griffin, and I am very excited to take on the role of Head of Year 8 next academic year.

I will be starting my fifth year at PWS in September and one of the things I enjoy most about my role is helping young people to grow in confidence, develop their independence and achieve their full potential, both inside and outside the classroom.

As Head of Year, my priority is to ensure that every student feels safe, happy and supported. Secondary school is about so much more than academic success; it is also about developing resilience, building positive relationships and preparing young people for the future. I want every student to feel that they are valued members of our school community and know that there is always someone they can turn to for support or guidance.

I have high expectations for all students in terms of attendance, punctuality, behaviour and effort. By encouraging students to take pride in themselves, show kindness and respect to others, and make the most of every opportunity, I believe we can help them achieve great things. I value open and honest communication with parents and carers and encourage you to get in touch if you have any questions, concerns or information that may help us support your child. If you need to contact me, please do not hesitate to do so via email: sophie.griffin@pws.emat.uk.

Thank you for your continued support. I am really excited to begin this new role and look forward to welcoming our students back in September. I hope that by working together we can make the coming year a happy, successful and rewarding one for every member of the year group.

I wish you all an enjoyable summer holiday!

Yours faithfully,

Miss Griffin
