Dear parents and guardians

RE: Year 8 Residential Opportunity April 26th 2027

We are excited to be able to offer a residential opportunity for our Year 8 Cohort (current year 7) to Longtown in Herefordshire from Monday April 26th to Friday 30th April. We have been awarded a charitable grant which means we are able to offer this opportunity at a reduced cost of £326. Those students eligible for free school meals will be eligible for a further reduced cost of £208. This cost is fully inclusive.

Longtown Outdoor Learning Centre offers an incredible opportunity for our students to experience a wealth of on and off-site activities including climbing, high ropes, caving, kayaking and orienteering. Students will also have the opportunity to spend some time camping under the stars on site. This trip is a chance for our year 8 cohort to put the Prince William values of respect, responsibility and ambition into practice.

We anticipate this trip going live on Arbor on Saturday June 5TH and will be providing a low deposit and payment plan option. To enable us to gauge demand we are asking for parents who wish for their student to take part in the trip to complete the expression of interest form found here [Year 8 \(2026-27\) Residential Trip - Expression of Interest – Fill in form](#). **Please ensure this is completed by Friday 22nd May**. To enable you to make an informed decision it is worth noting that we hope to offer a further residential opportunity for this cohort in Year 9 as part of our ongoing commitment to run yearly residential trips for years 7, 8 and 9. It is anticipated that this residential will be to the Lake District.

Further information will be provided to those who have expressed interest only. This will include information about deposits; payment plans and parent information evenings.

Many Thanks
