Dear Student and Parent/Carer

The timetable for the Yr11 mock exams which start in February has been finalised. Please log in to Arbor and download your individual exam timetable to see the date, start time, duration and venue for each of your mock exams. Please ensure you check Arbor before each exam as it is sometimes necessary to make last minute changes to rooms and seat numbers. You will also find rooming lists on the noticeboard outside the library every day.

We have done our best to fit afternoon exams within the school day, however if you have extra time, please check your mock exam timetable carefully as you may need to make alternative arrangements to get home if you use a bus.

You may also notice that some of the dates for summer exams are now visible in Arbor. Please be aware summer exams are a work in progress and not finalised yet. You will have an opportunity to check your entries for summer exams, and any exam clashes you may have will be resolved in due course. There is no need to notify anyone of missing subjects or exam clashes at this stage. A message will be sent to all students, parents and carers when your summer exam timetable is complete and ready to view.

Please re-familiarise yourself with exam rules and take a look at the exams page of the school website where you will find the JCQ information for candidates documents and other exam information and rules. Link: [PWS EXAMS INFO](#)

A reminder that you must bring in a clear pencil case, calculators must not have lids/cases and water bottles must be clear and transparent (no colour bottles/no logos/no measurements/no writing) with only water, no other drinks.

If you have any questions, please feel free to contact me by email, phone, or come to the Exams Office (Office 1, downstairs corridor in the English block).

Best regards

A handwritten signature in blue ink, appearing to read 'J. Gallagher'.
